### **HOMICIDE INVESTIGATION UPDATE**

On January 2, 2014 at about 12:45 p.m. the Eureka Police Department received information from the Humboldt County Sheriff's Department that Gary Lee Bullock had been located in the southern Humboldt area and was taken into custody. The 2010 Nissan Altima was also located in southern Humboldt by Sheriff's Deputies.

Detectives from the Eureka Police Department are currently enroute to the Garberville Substation to take custody of Bullock and to continue the investigation.

The Eureka Police Department would like to thank our allied agencies, especially the Humboldt Sheriff's Department, for their invaluable assistance with this investigation. The quick and successful apprehension of Bullock was the result of this joint working relationship.

No further details regarding the arrest and the vehicle recovery are available at this time.
