NEWS RELEASE

On 10-14-2011, Eureka Police Department's Criminal Investigations Section requested the public's assistance in identifying three potential witnesses in the investigation of the murder of Reginald Clark. Since that request was released, Investigators have identified and interviewed two of the three persons. Investigators are still attempting to locate and interview the third potential witness. The photograph of that subject is attached.

Investigators are requesting, anyone with information in regards to the identity of the pictured male in the surveillance photograph, please contact Detective Liles at 441-4032
