On Wednesday, February 11, 2015, multiple Humboldt County law enforcement agencies, led by the Eureka Police Department, conducted an anti-crime/anti-gang sweep targeting nearly two dozen identified gang members and gang associates. The sweep was in response to a perceived increase in gang-related crime in the greater Eureka area. Over the past several months, EPD has seized several firearms from known or suspected criminal street gang members encountered by our officers.

Approximately 22 investigators from multiple agencies including the Eureka Police Department, Fortuna Police Department, Humboldt County Sheriff's Office, Humboldt County Probation Department, Humboldt County District Attorney's Office, and U.S. Marshals Office participated in the operation. The gang task force conducted arrest warrant services and probation and parole searches at approximately 19 locations in the Eureka, Cutten, and McKinleyville areas. The majority of these locations were located within the City limits of Eureka.

During the approximately 7-hour operation, the task force arrested a total of 9 suspects on a multitude of fresh charges and outstanding warrants. Not all of

Additionally, Campbell was found to be in possession of a small quantity of methamphetamine and heroin. Campbell was arrested and transported to the Humboldt County Correctional Facility where he was booked for possession of a controlled substance and parole violation. Additional charges for manufacturing a controlled substance (hash) and possession of fraudulent currency are expected to follow.

located approximately 4.5 pounds of processed marijuana and ammunition for a firearm. Haberman was transported to the Humboldt County Correctional Facility where he was booked for possession of marijuana for sale, felon in possession of ammunition, and parole violation.

- **Courtney Ann Garrett** (age 25) was contacted by officers while walking in the vicinity of 11th and M Streets, Eureka. Garrett was taken into custody on a felony warrant for possession of a controlled substance and transported to the Humboldt County Correctional Facility.

“We want those who identify themselves as gang members in our community to know we will not tolerate activity that endangers our citizens and officers,” said EPD Captain Steve Watson. *“I ask people to share what they know about gang activity and other crimes occurring in Eureka. Community partnerships with the police that focus on solving problems rather than merely reacting to them help deter crime. I encourage you to get involved with a neighborhood watch group and/or volunteer with EPD, and help build a productive partnership with your police department.”*
