3-13-09

On March 9th, at about 7:48 PM, two masked men robbed the Harris Street Market in Eureka. One of the men brandished a handgun.

On March 12th, at about 10:15 PM, two masked men robbed the Patriot Gas Mini Mart at 4th and R Street. One of the two men brandished a handgun.

The Eureka Police Department believes the same two suspects committed both robberies. No customers were in the store during the robberies. EPD is asking citizens to be aware when visiting small stores and mini marts in the greater Eureka area and take note of subjects and vehicles. EPD is issuing the same advisory to small store employees.

The two suspects are white males, in their early 20's, both about 5'7" and slender.

Anyone with information about these two crimes can contact either Detective Wilcox at 441-4315 or Detective Harpham at 441-4305
