Man Arrested While Burglarizing Business

On 3/15/09 at about 7:37 a.m. officers from the Eureka Police Department responded to an audible burglar alarm at a fish market in the 2700 block of Broadway. Upon arrival an officer looked in the window and saw a man later identified as James Dale COX – a transient, inside the closed business rummaging through a drawer. The officer ordered the man out. He eventually complied and was detained.

The officer discovered a metal bar had been broken out of a window frame at the rear of the business and apparently used to break the bathroom window, allowing Cox access to the building.

Cox was transported to the Humboldt County Correctional Facility and booked for Burglary and a Parole Hold.
