“SHARE THE MAGIC OF CHRISTMAS” TOY DRIVE

All donated toys are given to local Humboldt County Kids!

Our Toy Drive is the oldest and longest running toy drive in Humboldt County. Firefighters began in the 1920's by collecting and fixing old toys for local, underprivileged children. Using their own money on their days off firefighters would collect broken bicycles, dolls, etc. and refurbish them to like new. This tradition has continued to grow ever since and we now have partnered with The Salvation Army to distribute toys to children in our community that may not otherwise receive a new toy for Christmas. This event continues to be funded by firefighters from their own pockets as well as through generous support and donations from local area businesses and citizens. All the toys collected are distributed to local children ages 0-12 in Humboldt County. We hope to help over 600 Families this year! This event provides an opportunity for citizens and firefighters to **“SHARE THE MAGIC OF CHRISTMAS”**, and do something positive for local children.

New and **unwrapped** toys can be dropped off at any Humboldt Bay Fire Station or numerous businesses throughout Eureka.

We will also be collecting toys at the Bayshore Mall November 27th & 28th .

We will also be collecting toys at the Humboldt County Artisans Craft Fair at Redwood Acres on December 4th, 5th & 6th. Bring a toy and get in free!!

SANTA FOR SENIORS

In addition to the Humboldt Bay Firefighter's Toy drive, we are proud to be continuing the 6th Annual “Santa for Seniors” program. This year we are partnering with the Humboldt Senior Resource Center.

All donations to “Santa for Seniors” will go to the Humboldt Senior Resource Center's White Bag Program. This great program provides local Senior citizens with a Holiday bag that has been decorated by local school children. The bags are filled with food treats for the holidays as well as a warm, nutritious meal. They hope to assemble, wrap, and deliver over 400 bags this year! By making a cash donation to the **“Santa for Seniors”**, you can help share the gift of Christmas with an elderly person in our community who is less fortunate than yourself!

For further information regarding the **“Santa for Seniors”** or the **Humboldt Bay Firefighter's “Share the Magic of Christmas” Toy Drive**, you can contact Eddie Blevins at Humboldt Bay Fire (707) 441-4000.
