Subject: Two Arrested for Murder

Case: 201001145

FOR IMMEDIATE RELEASE

Humboldt County Sheriff's Detectives booked two men for murder over the weekend in connection with a case that was originally reported as a missing person. On February 15, 2009 a woman called the Sheriff's Office to report her adult brother missing. She said she had not heard from him for about two weeks and it was very unusual for him to be out of contact with his family. The woman, who was calling from New York, was unsure of her brother's exact address but believed he lived in a cabin on Three Creeks Road, off of State Route 299. Throughout the week, Sheriff's Deputies and Detectives interviewed the man's roommates and acquaintances. Investigators began to believe the missing man was the victim of a homicide.

The investigation continued and Saturday a search warrant was served at the Three Creeks Road property. Sheriff's Office personnel, together with a Deputy Coroner, discovered human remains at the location. That same day, Sheriff's Detectives booked two men for the murder of missing man: his roommate, Eddie David Lee, 21, and Limmie Greg Curry III, 19, of Arcata. Curry was also booked for being armed with a firearm in the commission of a felony, and possession of marijuana for sales.

The condition of the remains is being withheld at this time. Further forensic testing will be required to confirm the identification of the remains that were found, however, all evidence indicates they are those of the missing man. The Humboldt County Coroner's Office will provide the identification of the victim when it is appropriate.
