**Case:** 200901632

## FOR IMMEDIATE RELEASE

In Wednesday's news release regarding David Morgan, the deckhand who fell overboard, the Sheriff's Office incorrectly reported that prior to contacting the Coast Guard, the remaining crew of the vessel off-loaded their fish. In fact, the crew did not off-load their catch, but moved it to a sorting bin, which is located on the boat. The Sheriff's Office regrets the error.
