826 Fourth Street, Eureka, CA 95501

**Date:** 08-01-2015

**From:** Lt. Wayne Hanson  
(707) 268-3641

**Subject:** Blocksburg Fire

**Case:** 201503699

On July 31, at approximately 10:30 p.m., Humboldt County Sheriff Mike Downey issued a precautionary evacuation advisory for Blocksburg, due to the Humboldt Lightning complex fires. As of 1:00 p.m. on Saturday, August 1, Blocksburg remains under an evacuation advisory only. Humboldt County is not under any mandatory evacuation orders at this time. Any changes in evacuation status will be conveyed by emergency notification system or "reverse calling", to the media and via social media. The County Emergency Operations Center is currently activated at a Level 1, or monitor status, in order to coordinate any evacuations that may be ordered in the future and assist with resource needs.

Individuals registered to receive emergency notifications from the County should have received emergency messaging immediately following issuance of the advisory. Residents of Humboldt County may register at any time to receive emergency messages, but there may be a delay between registration and receipt of messaging.
