**LOST COAST 4X4's – 15TH ANNUAL EEL RIVER BAR CLEANUP**

Please help to make Humboldt County a cleaner place to live and visit. Join with the Lost Coast 4x4s as they perform their 15th Annual Cleanup of the Eel River under Fernbridge and at Grizzly Bluff on Sunday, September 7th, 2014, starting at 9 a.m. The plan is to remove items dumped in the area such as cars, tires, appliances, and miscellaneous garbage. When more and more areas are being closed to public access, this is the club's way of maintaining access to a beautiful area that has become one of our favorite places to play. The clean up will run from 9 a.m. until 1 p.m., at which time food will be served, along with a free raffle for all who participate.

**Lunch will be provided by the Blue Lake Casino.**

Donations from our most supportive community will provide the food, raffle prizes, and equipment to make this day possible. Donations include: The use of dumpsters, food, advertising, portable bathroom facilities and heavy equipment capable of moving abandoned vehicle hulks, etc.

If you or your business or organization would like to help defray the costs such as cash, prizes for the raffle, advertising, or equipment – please call us.

If you have questions or need more information, please call:

Patty Wheeler (Chair) at (707)362-4713  
Bruce Fillman (Vice President) at (707)443-5301, (707)899-1622  
Carl Brandt (President) at (707) 442-7395 or (707)499-1252

Thank you

Carl C. Brandt

President - Lost Coast 4x4's

To Whom it may concern:

Here we are again, and as most of you know, we are a small local club that promotes safe but fun four wheeling and family outings. We meet once a month and have at least one run a month. Most of our runs are local, but we do have camp outs during the summer. We have a group that do runs at major trails such as the Rubicon with the more modified machines. The vehicles in our club range from stock 4x4's, pickups, Toyotas, suv's and Samurais to modified Jeeps, trucks and other vehicles. Our objective is to assist where needed and work to keep public lands open to the public. We participate in the "Tread Lightly" program and only drive where allowed. Our organization is non-profit in character, bringing together and promoting the interest of family 4-wheeling as well as enjoying and maintaining our country's natural resources.

We volunteer for many local functions and assist in rescue and recovery of stranded vehicles when needed. We have certified off-road instructors available to teach proper/safe off-road techniques and preservation of our lands for future use for all users.

We also work with BLM and the USFS in land use issues such as trail programs, cleanup issues, and any future concerns about public lands.

On September 7th, 2014, we are planning our 15th annual clean up at the Eel River under Fernbridge. We plan on removing all foreign objects from the river bar, including appliances, cars, and other miscellaneous garbage. We will be out there all day and we are planning on having a free lunch and raffle for all those who help. We are looking for donations from the community to assist in our efforts to clean up this area. It would greatly be appreciated if we could count on you to help us with a financial donation, raffle prize or help in arranging for dumpsters or equipment to be used on site.

On past cleanups, we average 6 dumpsters of garbage, 1 filled with old tires, 1 with miscellaneous steel, another with old appliances, along with several old car frames and bodies.

Many of you have donated in the past, and without your help, this cleanup would not be possible and your help is greatly appreciated.

If you have questions or need more information, please call:
