Jerry George

Acting on tips received from the community, Humboldt County District Attorney's Investigators are conducting a follow-up investigation into the disappearance and murder of Jerry George. Jacob Steele has been charged with the murder and is incarcerated at the Humboldt County Correctional Facility pending trial.

Based on information developed by the Humboldt County District Attorneys' Investigators, the following persons have been arrested and charged as accessories to murder, and destroying evidence.

- Richard James Steele, age 25 of Eureka
- Donald Dean Steele, age 50 of Eureka
- Nathaniel J. Willis, age 23 of Eureka

The Humboldt County District Attorneys' Investigators are asking that anyone with information about the current whereabouts of George's body, contact Investigator Bill Honsal, at 707-268-2592.
