Who is RCEA? The Redwood Coast Energy Authority is a Joint Powers Authority whose members include the County of Humboldt; the cities of Arcata, Blue Lake, Eureka, Ferndale, Fortuna, Rio Dell, and Trinidad; and the Humboldt Bay Municipal Water District. RCEA's mission is to develop and implement sustainable energy initiatives that reduce energy demand, increase energy efficiency, and advance the use of clean, efficient, and renewable resources in the region.

Funding is limited. Services and incentives are provided on a first-come first-served basis and only while funding lasts. California consumers are not obligated to purchase any full-fee service or other service not funded by this program. This program is funded by California utility customers and administered by PG&E under the auspices of the California Public Utilities Commission.
