The second installment of *Movies in the Park*, featuring *The Lost World: Jurassic Park* is this Saturday, August 24.

The Humboldt-Del Norte Film Commission invites you to come to Eureka's Sequoia Park for the monthly *Movies in the Park* free outdoor movie screening. The feature presentation for August is *The Lost World: Jurassic Park*. The event starts at 7:00 p.m. with a DJ and the feature film starting at dusk, around 8:45 p.m. on Saturday, August 24 at 3550 W Street in Eureka.

The Lost World: Jurassic Park is the sequel to the blockbuster hit, *Jurassic Park*. Jeff Goldblum reprises his role as the unconventional mathematician, Dr. Ian Malcolm. It's been four years since the secret disaster at John Hammond's Jurassic Park and now Malcolm finds himself with the terrifying realization that something has survived.

The public is encouraged dress warmly and arrive starting at 7:00 p.m. to enjoy music provided by Deep Groove Society DJs and find a place on the lawn for blankets and lawn chairs. Popcorn and refreshments will be available by small donation.

There will be an information table set up on site with Film Commission volunteers collecting donations and answering questions about the organization's mission and services.

The Film Commission would like to thank its community sponsors Northcoast Audio, Deep Groove Society, Living the Dream Ice Cream, Pierson Building Center, A and I Roofing, Red Lion Hotel, Redwood Capital Bank, Humboldt Wholesale and Northcoast Co-op.
