RELEASE DATE: October 5th, 2022

Prescribed Burn in the Bridgeville/Dinsmore Area

What: Professionally controlled prescribed burn planned for the consumption of oak woodland understory on approximately 105 acres of ranch land.

When: The prescribed burn will take place as conditions allow, Thursday, October 6th, 2022.

Where: Eaton Roughs Ranch. Five miles east of Bridgeville, CA and 1 mile north west of Dinsmore

Why: These burns are part of the prescribed fire program for vegetative management and hazardous fuels reduction. The treatment will help to enhance the health of the native plant communities, aid in the control of non-native plant species, protect and enhance prairie habitat for animal species, aid in the reduction of hazardous fire fuels and control of on uncontrolled wildfire.

Who: CAL FIRE, private stakeholders.

During these prescribed fire operations, residents may see an increase in fire suppression resource traffic, smoke will be visible and traffic control may be in place. Please be cautious for your safety as well as those working on prescribed burns.
