Buffalo Sculpture Placed in Rio Dell

Humboldt County artist Dan McCauley installed his seventh sculpture in the City of Rio Dell on March 2nd as a continuation of a collaborative plan to display art along Wildwood Avenue. McCauley worked with and received support from the City of Rio Dell, Chamber of Commerce and Eagle Prairie Arts District to realize his vision. The sculpture depicts a great American Buffalo and follows in the footsteps of McCauley's other displays including elk, owls, bears, goats and other creatures.

The art program was made possible by generous donations from Pacific Gas & Electric, The Headwaters Fund, McLean Foundation and local Rio Dell business Root 101 Nursery. Sculptures are displayed over a five year period and will be replaced over time as interested buyers purchase the artwork from Mr. McCauley.

More of McCauley's work can be seen at danscustommetals.com
