RE: 7/5/2016 Notice of Intention to Circulate Recall Petition (Councilmember Tim Marks)

To The Proponents of the Petition c/o Alonzo Bradford,

The enclosed Notice of Intention to Circulate Recall Petition is being returned to you. The Notice does not contain the requisite number of proponents required by Elections Code section 11020(c) or the required affidavit of service required by Elections Code section 11021. The Notice of Intention is, therefore, ineffective to commence recall proceedings under Division 11 of the Elections Code.

Thank you,

A handwritten signature in blue ink that reads "Karen Dunham".

Sincerely,
Karen Dunham
City Clerk
