

In-Home Supportive Services outreach in Rio Dell

In-Home Support Services (IHSS) has scheduled an outreach event for Wednesday, Nov. 13, from 9:30 a.m. and 2 p.m. at the Rio Dell Volunteer Fire Department (RDVFD).

This event coincides with the Mobile Outreach program's regular visit to RDVFD, and Food for People will be on hand to distribute fresh produce.

The goal is to build a pool of Rio Dell residents who are interested in working as Care Providers through the IHSS program. IHSS staff can also assist people who wish to become Care Recipients. Care Providers are paid through Medi-Cal, at no expense to the recipient.

Care Provider applicants can receive initial program information, watch an orientation video and do LIVESCAN fingerprinting. The LIVESCAN service costs \$32.75. Please bring exact change, a cashier's check or a money order. No personal checks will be accepted.

Applicants should bring identification (such as Cal ID or Driver's License) and their Social Security card.

Appointments are preferred, but walk-ins are welcome. Call 707-476-2102 to schedule an appointment.

IHSS supports the community by helping elderly and disabled persons remain in their homes. To learn more about the program, go to humboldt.gov.org/502/In-Home-Supportive-Services.
