Eureka, Calif. – The Eureka Police Department will increase patrols throughout the community and provide other traffic safety programs to help reduce the number of serious injuries and deaths on roads.

“This grant funding allows us to support our ongoing traffic safety efforts in the community,” Eureka Police Department, Chief of Police, Todd Jarvis said. “Our intent is to stop the most unlawful and dangerous behaviors that put people at risk and create an environment where everyone feels safe traveling.”

The grant will provide additional programs and resources, including:

- High visibility distracted driving enforcement operations targeting drivers in violation of California's hands-free cell phone law.
- Enforcement operations focused on the most dangerous driver behaviors that put the safety of people biking or walking at risk.
- Enforcement operations focused on top violations that cause crashes: speeding, failure to yield, stop sign and/or red-light running, and improper turning or lane changes.
- Enforcement operations focused on Motorcycle safety: speeding, following too closely, unsafe lane changes, improper turning, and DUI.
- Community presentations on traffic safety issues such as distracted driving, impaired driving, speeding, bicycle and pedestrian safety.
- Officer training and/or recertification: Standard Field Sobriety Test (SFST), Advanced Roadside Impaired Driving Enforcement (ARIDE) and Drug Recognition Expert (DRE).
