LOST COAST 4X4's – 13TH ANNUAL EEL RIVER BAR CLEANUP

Please help to make Humboldt County a cleaner place to live and visit. Join with the Lost Coast 4x4s as they perform their 13th Annual Cleanup of the Eel River under Fernbridge and at Grizzly Bluff on Sunday, September 16th, 2012, starting at 9 a.m. The plan is to remove items dumped in the area such as cars, tires, appliances, and miscellaneous garbage. When more and more areas are being closed to public access, this is the club's way of maintaining access to a beautiful area that has become one of our favorite places to play. The clean up will run from 9 a.m. until 1 p.m., at which time food will be served, along with a free raffle for all who participate.

Donations from our most supportive community will provide the food, raffle prizes, and equipment to make this day possible. Donations include: The use of dumpsters, food, advertising, portable bathroom facilities and heavy equipment capable of moving abandoned vehicles, etc.

If you or your business or organization would like to help defray the costs with cash, prizes for the raffle, advertising, or equipment – please call us. This year, the food will be donated by the Blue Lake Casino.

If you have questions or need more information, please call:
